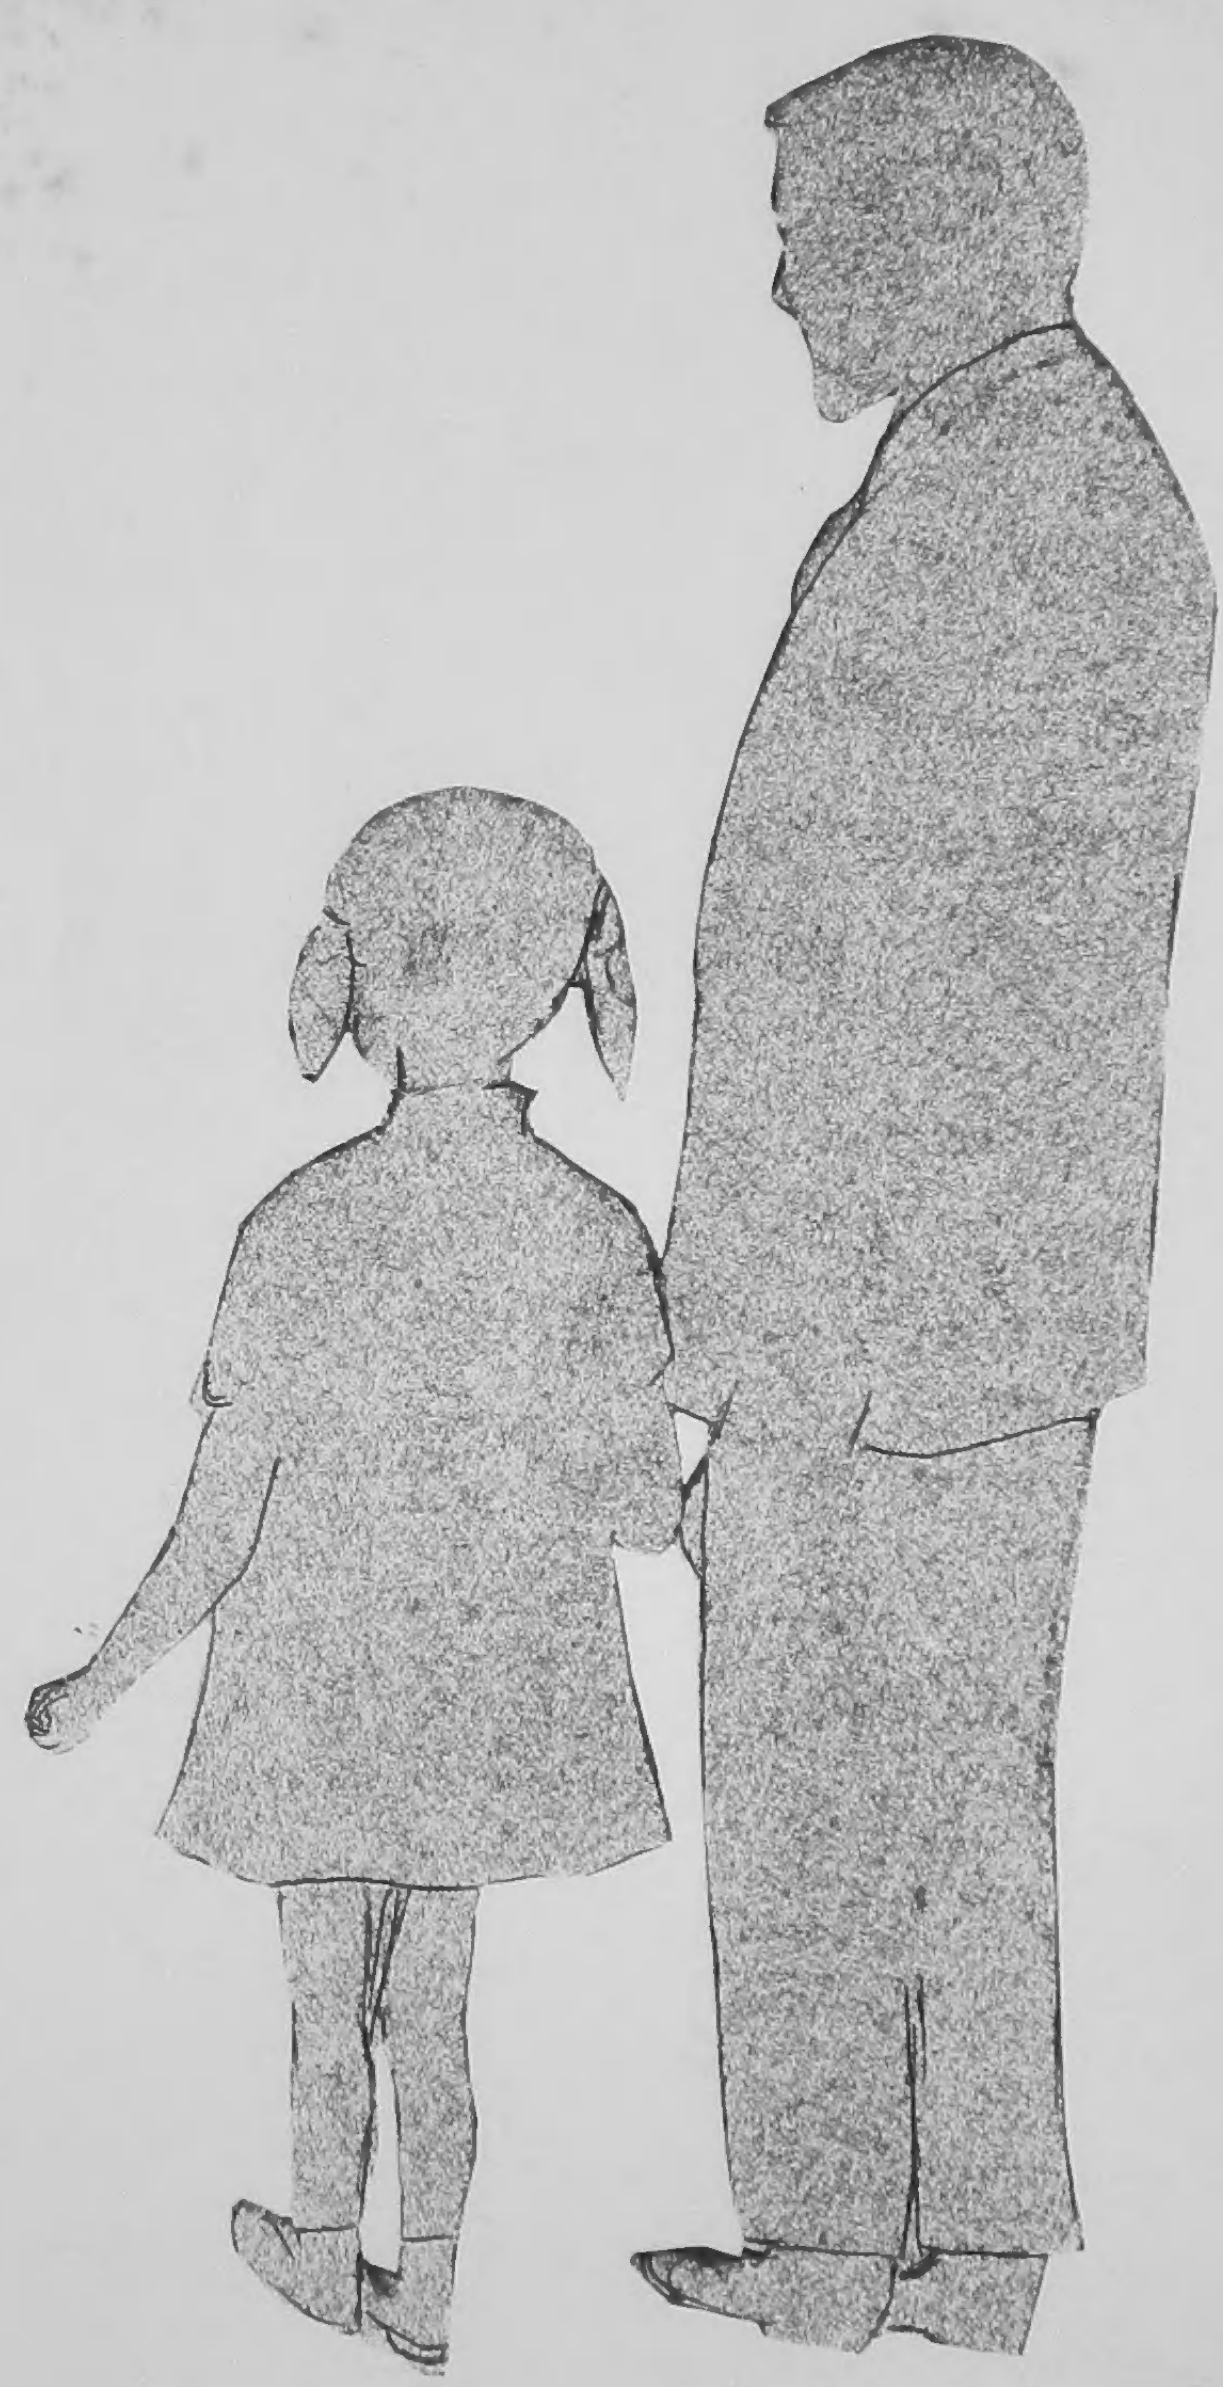
Dedication. . To Our Parents



Dear Parents,

In a short while we will be graduating from high school and starting a new phase of our lives. This letter is a token of our appreciation for the many years you have toiled and the sacrifices you have made to bring us to this very important day.

Many times we have failed you. Many times we have disappointed you. But always you have been kind, understanding, and forgiving. We thank you for always being there. And most of all we thank you for loving us.

After graduation, life will never be quite the same again. We shall miss the security and warmth of the old life - a life in which many decisions were already made for us, a life in which you led and guided all the way, with firmness and kindness. For us graduation will be the end of an epoch. For you it will be a day of pride and affection, as you see a part of your dream for us come true. We have tried to do our best in the past and to take advantage of every opportunity. We shall continue to do so and try to give you many reasons to be proud of us.

You, dear Parents, have molded us into the young men and women we are today. We thank you for your love, your care, your guidance.

We love you very much!

Time To Go

Time has slipped away;
To where we do not know.
Though it saddens us,
We know it's time to go.
We'll be leaving all our friends;
Some we may never see again,
But our memories are sure to be
With us 'til the very end.
We've surely grown up and
Matured in many ways though
To our teachers we remain
Children even to this day.
Here's to our underclassmen, for
Some day they too will know,
The feeling that we share, when
It's time to go.

Class Prophecy

As I took my seat on the plane to New York, I heard a familiar voice ask, "Coffee, Tea, or Me?" I looked around and there was my school classmate, Cynthia Weatherly, now stewardess for United Air Lines. We talked about those old school days and what all our classmates are doing. Ten years after graduation we find:

Billy Ainsley and Ray Owens own all farms in Tyrrell County and also own the largest "Potato Chip" factory in Eastern U.S.

Vernon Alexander is a famous artist and is living in Hawaii with his wife, Dora Mae Sykes, and their three children.

William Andrews is now mortician in Columbia, N.C.

Gordon Armstrong is roaming the streets in his 1982 Patrol car.

Horace Bailey now owns the largest Night Club in Chicago.

Vinessa Barrow is a famous model living in California and is married to a millionaire.
